### **Mohawk Mountain Ski Area, LLC**

46 Great Hollow Road  
Cornwall, CT 06753  
(860) 672-6100

**January 12, 2024**

### **Mohawk Mountain Ski Area Grease & Lubrication Policy**

All of our lift machinery components undergo regular maintenance with oil and grease for optimal functionality, occasionally changing weather conditions can cause greasy/oily substances to fall from parts of the machine onto clothing. The lubrication component is an inherent risk of skiing and using lifts. Mohawk Mountain is not responsible for any grease, oil or other lubricants on clothing or equipment while near or using a ski lift.
